Dear Friends,

We would like to begin by saying **THANK YOU!**

Our community has been very supportive to the Ross County Humane Society and our mission to help abandoned, lost, and abused dogs (and other animals) in our county. With your donations and support, we have helped house, heal, and re-home more than 4,000 animals since 2014.

Founded in 1912, your Humane Society has been an independent organization supported by members, contributors, and bequests. We are a non-profit 501(c)3 corporation governed by a board of directors comprised of volunteers from the community who are dedicated to animal welfare. We are committed to the care, shelter, and placement of animals, the prevention of cruelty and overpopulation, and education concerning the humane treatment of ALL living creatures. We are not a government-run facility. We are NOT controlled or completely funded by any local, state, or national organization.

Kennel sponsorship is one way you can play an active role in the care of shelter animals. Your sponsorship will provide housing, food, medicine, and veterinary care to these animals while they wait for their forever homes. **YOU CAN MAKE A DIFFERENCE IN THE LIVES OF THESE DOGS!**

With your sponsorship, your name or business name will be recognized on all our media outlets and posted on a plaque on a kennel for the entire year. You will also receive a receipt for this completely tax deductible donation.
